

The Washington Flyer Taxi is an on-demand service that provides Airport patrons with the utmost in customer service. All taxis are required to be clean, well-maintained, and air conditioned with friendly, professional cab drivers. This closed transportation system is contractually administered by the Airports Authority, thereby, providing the highest standards possible of vehicles and drivers such as:

- daily inspection to ensure safety and quality of each taxi
- newer model vehicles that must be under five years old
- metered taxis with meters inspected regularly
- service late night or during inclement weather

Washington Flyer taxis are priced similar to local, independent cabs and fares are calculated by meters. The electronic meter should be activated to compute your fare upon departure from the Airport. The taxi rates provided herein are established by the Washington Metropolitan Area Transit Commission (WMATC) and are subject to change. The taxi contract is administered by the Airports Authority, so please feel free to write to us with your comments at:
